

Fidelity Health[®] App – The Mobile Experience

A companion to the NetBenefits[®] app, the Fidelity Health app enables employees to simply and effectively use their health care dollars and benefits on the go.

Support your employees throughout the health care journey to help reduce the time, expense, and complexity of navigating health care.

Key features

Manage Expenses

Makes it easier for your employees to: **See account related activity in one place**, pay bills, view claims, pay a provider and save receipts to manage past expenses.

Get reimbursed for qualified expenses from their HSA, health care FSA, or dependent care FSA¹.

Eligible Expense Barcode Scanner

Offers an easy way to scan a product's barcode to help find out if it is a qualified medical expense that can be paid for from an HSA or health care FSA.

ID Card Wallet

Saves your employees time searching for and sharing health benefit ID and vaccination cards.
